3)Open session

Archie's manager Jerry did come to last selectman's meeting. He felt that the waste pick up was going well. Selectboard strongly disagreed with his assessment.

Discussion of what/who alternate providers could be: ABC-AC, Almighty Waste-LE, Casella-LH, Troiano-BP, Pine Tree Waste-LH, Andy Valley-LE. Committee to research cost options.

Lee attended Buckfield/Sumner Solid Waste Committee meeting on 09232025. She learned lots of interesting information including Budget information and fee schedule (example \$30 to dispose of a mattress).

Beverly and Lennie are visiting the Gurney Hill Salt Shed Area to look at the space and take photos.

Hartford Newsletter-reviewed the context to be submitted

3)Canton Selectman (Carole) discussion-

None; no visitors from Canton

4)review DEP Research

Lennie provided the following information regarding DEP transfer station concept

Item 1 create site plan (selectboard) (noted that there may already be a one for Gurney Hill site) Lennie will check with Leanne on previous site plan and access.

Item 2 would be to submit the site plan to planning board of Hartford

Item 3 and 4 would be to complete an application and finalize site plan for transfer station concept

Noted that Maine.gov/dep/solidwaste is an excellent resource for relevant information.
