

Town of Hartford  
Hartford Ordinance Meeting Minutes

November 13, 2024 @ 6:00 PM

In attendance:

Jane Quint, Jeremy Johnson, Daryl Boness, Cindy Violette, Kathleen Theriault (alternate)

Guests:

Kathleen Landry, Brandon McNeil, Ken Violette, Dianne Bowen, Steve Elsman

Minutes from last meeting accepted: Motion to accept by Jane Quint, Cindy Violette 2<sup>nd</sup>, accepted unanimously

Due to the absence of Paul Burmeister, Kathleen Theriault was a voting member at tonight's meeting.

Comprehensive plan discussion of who from our meeting will represent the ordinance committee. Daryl Boness accepted by default given no interest from other committee members.

Before the December meeting, we will look at the model solar ordinance from Maine Audubon Society and the 3-4 solar ordinances we have from other town in Maine. We will decide what to use for our model at the December meeting. Reminder that the Selectboard's biggest concern was decommissioned panels and disposal.

We reviewed the most recent draft of Administrative Ordinance Part II, including changing "shall" to "must" where it was appropriate to do so. Changes were made to the numbering and certain portions were deleted. Some sections were moved to more appropriate locations within the document. Several changes were approved to make each section as clear and descriptive as possible.

We did not complete the revisions but likely will at the next meeting.

Meeting adjourned at 7:44PM.
