

Town of Hartford  
Planning Board Meeting  
March 4, 2024  
Approved Minutes

Present: Margaret Matthews, Lennie Eichman, Dan Larochelle and Don Perrone

Attending: Selectboard Member Lee Holman

The meeting convened at 7:02 PM

Request by Mr. Don Webster: Pursuant to the board's decision last month, board member Lennie Eichman sought the advice of the Maine Municipal Association regarding the matter. MMA advised that the matter was outside the authority of the board and the Hartford Selectboard was the appropriate body to address the issue. Accordingly, the board referred the matter to the Selectboard.

PL 2021 LD 2003: The board reviewed the maps identifying those areas which the town's Comprehensive Plan designated as Growth Areas in order to specify which lots are to fall under those areas. Because the zoning ordinance will affect those lots, those owners require notification prior to the hearing on the ordinance changes.

The meeting adjourned at 8:45
