- III. Establish a time when members can meet with Cathy & Bim to identify roads earmarked/FEMA funds: FEMA earmarked amounts were reviewed. Amounts available from the Town road funds were also reviewed.

Go in one section and remove bigger surface stones, then grind, then shim with 1 1/2" minus gravel and pave.

  - 2. This meeting was very productive and friendly. Everyone seems to be on the same page: Use the funds we have to make better roads.
