

Town of Hartford
Final Approved Solid Waste Committee Meeting
March 19, 2026, 18:30

Attendance:

Committee Members: Lee Holman, Beverly Parsons, Lennie Eichman, Amanda Conant

Selectpersons: Cathy Lowe, Aaron Harvey

Guests: none

Absent: none

1) Meeting called to order at 18:34 PM

2) Review of February 2026 Minutes

Lennie Motioned to accept, Lee second, all in favor-4.

3) Open Session

Ahead of residential Bulky Waste Collection Lee discussed planning a buy nothing day/sale. Friday-drop off, Sat-Open and Sun- clean up. Suggested date of May 29-30-31. Mention of the tire fee for bulky expecting to be \$10 per tire, not \$30 as originally proposed/stated by Archie's. They will not accept appliances with freon in them. Aaron to research Ozone Saver and related fees. It was decided at the recent Selectman's meeting that bulky waste collection will be on June 20 and 27th. Discussion of times (7am-3 pm). Driver and Laborer will be present from Archie's. Discussion of need to make a flyer as a guide of what people can drop off, would like it by 4/7, to propose to the selectman. Lennie to work on this in publisher program. Also, we should consider the town providing names of people to charge a fee for the service to pick up and bring bulky waste to the collection area, as an additional option for residents. We need to think about how we would account for people who use a service to dispose of bulky waste.

Discussion of next meeting date (because of budget committee conflict). April 15th Wednesday was decided (18:30). Needs to be confirmed with Town Office.

4) Report Out and Discussion-Livermore Transfer Station Field Trip

Livermore was a great layout. Pictures provided by Beverly. Amanda shared the flyer from Livermore that shows what they take for recycling in their recycling roll off. Discussion that they have 2 compactors, one for recycling and one for household waste.

5)Other Reports

Consultant Proposal-Report expected by middle of April. TRC will and can help write the grants to assist in funding for the project.
