

Town of Hartford
Road Committee Meeting
Approved Minutes
August 25, 2025
5:30pm
Hartford Town Hall

Present: Rick Gammon, Morrill Nason, Andrew Conant, Bim McNeil, Cathy Lowe, and Jeremy Johnson.

- I. Rick called the meeting to order at 5:30pm
- II. Erosion and Sediment Control: The Road Commissioner briefed the committee on work being done at the north end of town including Darrington Road, Darrington Road, and Goding Road. He stated that Spencer Paving is willing to perform paving services on the five roads that FEMA approved when they pave Pratt Hill Road at the same prices. The Road Commissioner stated that there is no need for a bid committee approval.
Rick gave a short broad talk about the importance of erosion and sediment control.
- III. Paving/collect info for bid on FEMA funds: The Road Commissioner's priority is to get the portions of the five roads that paving was approved ready for paving. The Road Commissioner suggested that each member visit each of the roads to view both work needed and work they have already done. He volunteered to go with any committee member to help explain progress and upcoming work.
- IV. Secretary position: No discussion.
- V. Meeting adjourned at 7pm with no future meeting date confirmed.
